

<b>1. First name</b>	<b>TIBERIU – NICOLAE MACARIE</b>
<b>2. Family name</b>	<b>Mechanic engineer</b>
<b>3. Academic position</b>	<b>Professor</b>
<b>4. Date of birth</b>	<b>13.06.1950</b>
<b>5. Place of birth</b>	<b>Brezoi, Vâlcea</b>

<b>6. Education. Degrees</b>	
<b>High school:</b>	"Alexandru Lahovary", Rm. Valcea, promotion 1969.
<b>University, year:</b>	Polytechnic Institut of Brasov, specializarea "Automotive and Tractors", promotion 1974.
<b>Doctorate, institution:</b>	"Transilvania" University of Brasov, 1994.

<b>10. Membership in professional societies</b>	
1. Founding member of al Automotive Engineering Society of Romania – SIAR;	
2. Member of Society Automotive Engineering – SAE ;	
3. Member of Societe de l'Ingenieurs de l'Automobile- SIA;	
4. Member of Society Thermotechnics Engineers of Romania– STMR ;	
<b>International internship in European projects:</b> Tempus, Erasmus, Grundtvig, Leonardo da Vinci	

<b>7. Professional experience. Places of work</b>	
1974 – 1980 Mechanical Engineer to Intreprinderea de Autoturisme Pitesti, 1980 – 1990 Asistant Professor, Institutul de Invatamant Superior Pitesti, Automotive Department;	
1990 – 1995 University Lecturer, University of Pitesti, Automotive Department;	
1995 – 2000 Associate Professor, University of Pitesti, Automotive Department;	
2000 – 2015 Professor , University of Pitesti, Automotive Department; 2000-2004 Director of the Department of International Relations, University of Pitesti.	
2004-2015 Director of the Muntenia Continuing Education Center, University of Pitesti.	

<b>11. Didactic activity in the academic year 2014-2015</b>	
- disciplines „Dynamic Vehicles”, ”Automatic Transmissions” to the specialization Vehicles;	
- discipline „Means of transport” to the specialization Transport and Traffic Engineering ;	
- discipline „Driving ability of automotive” to master „Road traffic and traffic accidents expertise”;	
- discipline ”Interpersonal and organizational communication” to the training continuous programm on- line ” Educational management and high education”	

<b>8. Professional experience. Places of work</b>	
1974 – 1980 Mechanical Engineer to Intreprinderea de Autoturisme Pitesti, 1980 – 1990 Asistant Professor, Institutul de Invatamant Superior Pitesti, Automotive Department;	
1990 – 1995 University Lecturer, University of Pitesti, Automotive Department;	
1995 – 2000 Associate Professor, University of Pitesti, Automotive Department;	
2000 – 2015 Professor , University of Pitesti, Automotive Department; 2000-2004 Director of the Department of International Relations, University of Pitesti.	
2004-2015 Director of the Muntenia Continuing Education Center, University of Pitesti.	

<b>12. European Projects</b>				
Year	Country	City	Project	Formation
2016	Belgium	Bruxelles	Leonardo da Vinci	Adult education
2016	Italy	Bologna	Grundtvig	Education of disadvantaged persons
2015	Spain	Barcelona	Grundtvig	Education of disadvantaged persons
2013	Cyprus	Larnaca	Console VET	E-learning education
2011	Spain	Barcelona	POSDRU RO	School and community
2011	Germany	Manheim	POSDRU RO	Adult Education
2010	Portugal	Lisabona	Grundtvig	Attendance of disadvantaged persons
2009	Spain	Madrid	Grundtvig	Come back to school
2006	Spain	Badajoz	Grundtvig	School for parents
2006	Netherlands	Amsterdam	Grundtvig	School for parents
2005	France	University BordeauxIII	Erasmus	Communication
2004	Greece	Patras	Erasmus	Management of international relations
2003	Germany	Ulm	Grundtvig	Continous training
2001	Spain	IPC Barcelona	Tempus	Continous training
2000	France	University BordeauxIII	Tempus	Communication
1999	France	University BordeauxIII	Tempus	Communication
1999	UK	University of Birmingham	Tempus	Continous training
1998	France	Universite Bordeaux III	Tempus	Communication
1998	France	University Bordeaux III	Tempus	Continous training
1997	France	GRETA de Bourges	Tempus	Continous training

<b>9. Publications. Scientific activities</b>	
<b>Doctoral thesis:</b>	"Dynamic of cars 4x4", 1994, University "Transilvania" Braşov.
<b>Number of books in Automotive Engineering:</b>	15
<b>Number of papers:</b>	110 (40 as first author), out of which:
-	10 articles in other international journals
-	75 articles in other national journals
-	25 articles in international conferences proceedings
<b>Number of research projects:</b>	2 out of which:
-	1 won by competition as director in Automotive Engineering (2007-2008)
<b>Other types of projects:</b>	
<b>National Project for Education:</b>	1 won by competition as director Management for adult education (2006-2008)
